

# Germacrano aislado de *Baccharis sphaerocephala*

Rivera, L. A. Patricio

Hernandez, G. Rosario

In this work, we report on the isolation and identification of the sesquiterpene

6-Oxo-germacra-1(10)E,4(15)-diene (1). This compound was isolated for the first time from a

Chilean *Baccharis*, *B. Sphacrocephala*.
