

Index

1. Abstract.....	5
2. Introduction.....	5
3. Study Design.....	6
3.1 Research question.....	6
3.2 General objective.....	6
3.3 Specific objectives.....	6
4. Methodology.....	6
4.1 Methodological Quality.....	7
4.2 Analysis model	7
5. Theoretical frame.....	8
5.1 Premature birth.....	8
5.2 Late preterm, mid preterm, very preterm, and extremely preterm born children.....	9
5.3 Very preterm born children.....	10
5.4. Very low birth weight	10
5.5 Neural networks.....	10
5.5 White matter and language in preterm born children	11
5.6 Language domains	11
6. Results.....	12
6.1 Study characteristics.....	12
6.2 Semantic abilities.....	13
6.3 Morphosyntactic abilities.....	13

6.4 Phonologic abilities.....	14
6.5 Assessment tools.....	15
7. Discussion	15
7.1 Semantics.....	16
7.2 Morphosyntax.....	19
7.3 Phonology.....	20
8. Limitations.....	21
9. Conclusion.....	21
10. References.....	22
11. Appendix	26
