

TABLE OF CONTENTS	
Chapter 1	1
1.0 Introduction	1
1.2 Research questions	3
1.3 Objectives	3
1.3.1 Specific Objectives	4
1.4 Hypothesis	4
1.5 Expected results	4
Chapter 2	6
2.0 literature review	6
2.1 Stories	7
2.1.1 L2 narratives	8
2.1.2 Narrative Elicitation	9
2.1.3 Personal Narratives as opposed to fictional narratives in L2	10
2.2 Emotions, affect and feelings	10
2.2.1 Emotions conveyed in narratives of stored experience	11
2.3 Theories of Emotions	12
2.3.1 Neuro-Biological theories of Emotions: Biologically determined	13
2.3.2 Cultural Theories of Emotions: Social products of cultura	14
2.3.4 Cognitive Theories of Emotions: Inherent components of cognitive processing	15
2.5 Emotion in Bilingualism	16
2.6 Emotions in Second language acquisition	19
2.6.1 Early theories	19
2.6.2 Power and emotions in ELT	20
2.7 The language of emotions	22
2.7.1 Cross-linguistic approach	22
2.7.2 Systemic Functional Linguistic Approach	23
2.7.3 Cognitive linguistic approach	23
2.8 The L2 Language of Emotions	25
2.8.1 Sociocultural competence in L2	26
vi	
2.8.2 Language proficiency	26
2.8.3 Topic	27
2.8.4 Gender	27
2.8.5 Language preference	28
2.9 Rationale of this study	28
2.9.1 Tenets underpinning this research	29
Chapter 3	30
3.0 Method	30
3.1 Setting and participants	31
3.2 Data Collection	32
3.3 Data analytical procedures	32
3.3.2 coding of emotion-indexed utterances	34
3.4 Ethical issues regarding the data	38
Chapter 4	31
4.0 Results and analysis of emotions retrieved in narratives	31
4.1 Emotion emergence across universities	31
4.2 Positive emotions across universities	44
4.3 Negative emotions across universities	45
4.4 Overall emotions displayed as positive/negative duality	46
4.4.1 Emotions across male participants	48
4.4.1.2. Positive emotions in male participants	49
4.4.1.3. Negative emotions across male participants	50
4.4.2 Distribution of emotions across female participants	50
4.4.2.2 Positive emotions across female participants	51

4.4.2.3 Negative emotions across female participants	52
4.5 Results across emotion elicitors	53
4.5.1 Events	53
4.5.2 Agents	54
4.5.3 Objects	55
4.6 Emotion Inducing specific events	56
4.6.2 Specific agents of the experience	58
4.6.3 Specific objects of the experience	59
vii	
4.7 Linguistic examination of emotion indexed utterances	60
Chapter 5	69
5.0 Discourse Analysis	69
5.1 Themes	70
5.2 Discussion	77
Chapter 6	80
6.0 Conclusions	80
References	82
