

Reactions of diaminosulfanes with copper(II) salts Reaktionen von Diaminosulfanen mit Kupfer(II)-Salzen

González, Guillermo

Díaz, Carlos

Copaja, Sylvia

Reactions of bis(diethylamino) and dimorpholinosulfane with $[\text{Cu}(\text{H}_2\text{O})_6](\text{ClO}_4)_2$ in acetonitrile and with $\text{CuCl}_2 \cdot 2\text{H}_2\text{O}$ in ethanol yield Cu(I) compounds and SO_2 . The reaction product of

dimorpholinosulfane and CuCl_2 in ethanol is $\text{OC}_4\text{H}_8\text{NSOC}_2\text{H}_5$. The reactions are discussed. ©
